Balanz Advisors and its representatives are in compliance with the current filing requirements imposed upon SEC - Registered Investment Advisers by the 1940 Investment Advisers Act and by the regulations of individual states in which Balanz Advisors maintains clients. Balanz Advisors may only transact business in those states in which it is registered or qualifies for an exemption or exclusion from registration requirements. Balanz Advisors’ website is limited to the dissemination of general information pertaining to its advisory services, together with access to additional investment-related information, publications, and links. Accordingly, the publication of Balanz Advisors’ website on the Internet should not be construed by any consumer and/or prospective client as Balanz Advisors’ solicitation to effect, or attempt to effect transactions in securities, or the rendering of personalized investment advice for compensation, over the Internet. Any subsequent, direct communication by Balanz Advisors with a prospective client shall be conducted by a representative that is either registered or qualifies for an exemption or exclusion from registration in the state where the prospective client resides.

Past performance is not indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by Balanz Advisors) made reference to directly or indirectly by Balanz Advisors in its website, or indirectly via a link to an unaffiliated third-party website, will be profitable or equal the corresponding indicated performance level(s). Different types of investments involve varying degrees of risk (including and up to loss of the entire investment amount) and there can be no total assurance that any specific investment will either be suitable or profitable for a client or prospective client’s investment portfolio. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results of those indices.

Each client and prospective client agree, as a condition precedent to his/her/its access to Balanz Advisors’ website, to release and hold harmless Balanz Advisors, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its

actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from Balanz Advisors as part of an investment advisory relationship.
